

**FLEXIBLE RESOURCES
ASSOCIATES**

Will supply the right person...

Flexible Resources
offer one-stop interim
services to put the right
person in the right place
at the right time.

...wherever you want them!

Appointing appropriate Interim Resources and contingent workers can make a vast difference to the success of your company – whether you are looking to acquire high level specialist skills on a short or long term basis.

Flexible Resources Associates offer an effective solution to cope with sudden changes such as key departures, or to manage periods of corporate transformation including mergers, strip outs, IPOs, M&A and expansion plans.

Flexible Resources Associates provides management, consultancy, engineering, Interim & contingent workers and human resourcing.

**We can have an
Interim Executive
in place within days**
– whatever the skills you
require, and wherever in the
world you may be.

Our mission:

To act as a silent partner
in the success of global
conglomerates

Who we are:

Flexible Resources Associates

combine the resources of a major international network of contacts with a high degree of personal attention from dedicated project managers.

This centrally-managed, customer-oriented structure allows our clients full access to the resources and services of expert individuals in a variety of European locations.

Most of the consultants within the corporation are accustomed to operating internationally and normally speak several languages.

Flexible Resources Associates

Matches services to your needs and packages are always structured to suit the needs of your company.

In today's global market, successful firms understand that an important aspect of their growth strategy must include the acquisition of key partners and resource pools with solid client relationships.

Flexible Resources Associates have the knowledge and market expertise to help firms achieve their growth objectives.

Each of our associate placement consultants has the diverse adaptability and experience vital in successfully helping corporations secure immediate-impact partners.

What we offer:

- **Quality** not quantity of Interim Consultants.
- Honest and **trustworthy** service for both our clients and interim / contingent resources.
- A live and active resource pool of **credible, competent** Interim contingent resources.
- Flexible, individual, client recruitment planning.
- We work to a **quick, efficient** turnaround process.
- Our own Consultants have previous **hands on experience** of working from your side of the fence.

What we do

In today's market, searching for experienced resources pools can be an enormous task, requiring extensive due diligence and experience.

Many potentially beneficial candidates are never identified simply because personnel do not have the time to devote to the search process.

Our mission is to successfully bring to your firm the growth partners you need, allowing you to focus on satisfying your clients and managing your firm.

*As your silent partner, **Flexible Resources Associates** has the experience, knowledge and expertise to help your firm grow. Whether you are looking for Resources on a permanent or contract basis, we have the resources to offer a full spectrum of services.*

Flexible Resources Associates offer a service specifically tailored to meet the short term needs of your businesses. An injection of innovative strategic thinking enables your company to realize the potential of all assets, swiftly demonstrate improved cash flow, capitalize on all tangible business strengths and thus maximize the return
